### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

During the 2005 legislative session, the board of barber examiners and the Texas cosmetology commission were dissolved and their duties were assigned to the Texas Department of Licensing and Regulation (TDLR). Since that time few updates have been made to modernize the statutes.

Chapters 1601 (Barbers), 1602 (Cosmetologists), and 1603 (Regulation of Barbering and Cosmetology), Occupations Code, pertain to barbers and cosmetologists. S.B. 1170 harmonizes barbering and cosmetology statutes by allowing both barbering and cosmetology to be taught in public schools. It also alters the school size requirements to allow for more schools in rural areas. In response to request from licensees, it replaces the term "facialists" with the more nationally recognized term "aesthetician." S.B. 1170 creates a dual aesthetician and manicurist license. It also creates crossover provisions where licensed cosmetologists, after training and examination, could become licensed barbers and where barbers, after training and examination, could become cosmetologists.

As proposed, S.B. 1170 amends current law relating to the regulation of barbers and cosmetologists.

### **RULEMAKING AUTHORITY**

Rulemaking authority is expressly granted to Texas Commission of Licensing and Regulation in SECTION 1 (Section 1601.253, Occupations Code), SECTION 4 (Section 1601.261, Occupations Code), and SECTION 12 (Section 1602.254, Occupations Code) of this bill.
