BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

(d) From money appropriated by the legislature for the purposes of this subchapter, the coordinating board annually shall determine the allocation among eligible institutions of money available for TEXAS grants and shall distribute the money accordingly. In allocating available grant money among general academic teaching institutions, the coordinating board shall ensure that each of those institutions' percentage share of the total amount of grant money allocated to general academic teaching

1 institutions under this subsection for an academic year does not,
2 as a result of the number of students who establish eligibility at
3 the institution for an initial TEXAS grant under Section
4 56.3041(a)(2)(A), change from the institution's percentage share
5 of the total amount allocated to those institutions under this
6 subsection for the preceding academic year.

14 provided by Subsection (e), shall give highest priority to students
15 who meet the eligibility criteria described by Section
16 56.3041(a)(2)(A). If there is money available in excess of the
17 amount required to award an initial TEXAS grant to all students
18 meeting those criteria, an institution shall make awards to other
19 students who meet the eligibility criteria described by Section
20 56.304(a)(2)(A), provided that the institution continues to give
21 priority to students as provided by Subsection (e).
