Sec. 3894.003. PURPOSE; DECLARATION OF INTENT. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this

5 (b) The creation of the district is necessary to promote,
6 develop, encourage, and maintain employment, commerce,
7 transportation, housing, tourism, recreation, the arts,
8 entertainment, economic development, safety, and the public
9 welfare in the district.

10 (c) This chapter and the creation of the district may not be
11 interpreted to relieve the city or Dallas County from providing the
12 level of services provided to the area in the district as of the
13 effective date of the Act enacting this chapter. The district is
14 created to supplement and not to supplant the city and county
15 services provided in the district.

17 The district is created to serve a public use and benefit.

18 (b) All land and other property included in the district

15 (e) Pedestrian ways along or across a street, whether at
16 grade or above or below the surface, and street lighting, street
17 landscaping, parking, and street art objects are parts of and
18 necessary components of a street and are considered to be an
19 improvement project that includes a street or road improvement.

20 (f) The district will not act as the agent or
21 instrumentality of any private interest even though the district
22 will benefit many private interests as well as the public.

23 Sec. 3894.005. DISTRICT TERRITORY. (a) The district is
24 composed of the territory described by Section 2 of the Act creating

1 in Section 2 of the Act creating this chapter form a closure. A
2 mistake in the field notes of the district contained in Section 2 of
3 the Act creating this chapter or in copying the field notes in the
4 legislative process does not in any way affect the district's:

5 (1) organization, existence, or validity;

7 any type of bond or other obligation for a purpose for which the
8 district is created;
