3 legislature has established a program to accomplish the public  
4 purposes set out in Section 52-a, Article III, Texas Constitution.

5 (b) The creation of the district is necessary to promote,

8 entertainment, economic development, safety, and the public  
9 welfare in the district.

10 (c) This chapter and the creation of the district may not be  
11 interpreted to relieve the city or Dallas County from providing the  
12 level of services provided to the area in the district as of the  
13 effective date of the Act enacting this chapter. The district is  
14 created to supplement and not to supplant the city and county  
15 services provided in the district.

17 The district is created to serve a public use and benefit.

14 aesthetic beauty.

16 grade or above or below the surface, and street lighting, street

18 necessary components of a street and are considered to be an  
19 improvement project that includes a street or road improvement.

20           (f) The district will not act as the agent or  
21 instrumentality of any private interest even though the district  
22 will benefit many private interests as well as the public.

23           Sec. 3895.005. DISTRICT TERRITORY. (a) The district is  
24 composed of the territory described by Section 2 of the Act creating  
25 this chapter, as that territory may have been modified under  
26 Section 3895.108 or other law.

27           (b) The boundaries and field notes of the district contained

1 in Section 2 of the Act creating this chapter form a closure. A  
2 mistake in the field notes of the district contained in Section 2 of

7 any type of bond or other obligation for a purpose for which the  
8 district is created;
