1 SECTION 2. Chapter 2058, Government Code, is amended by
2 adding Sections 2058.003 and 2058.004 to read as follows:

3 Sec. 2058.003. INCLUSION OF INCARCERATED PERSONS IN CENSUS
4 COUNTS. (a) Not later than the next May 1 following the date on
5 which the tract-level population counts for this state from the
6 federal decennial census are released by the director of the Bureau
7 of the Census of the United States Department of Commerce, the
8 comptroller shall prepare and disseminate adjusted population
9 counts for each geographic unit included in the census counts as
10 provided by this section.

11 (b) Not later than June 1 of the year in which the federal
12 decennial census is conducted, each state or local governmental
13 entity in this state that operates a facility for the incarceration
14 of persons convicted of a criminal offense, including a mental
15 health institution for those persons, or that places any person
16 convicted of a criminal offense in a private facility to be
17 incarcerated on behalf of the governmental entity, shall submit a
18 report to the comptroller with the following information:

19 (1) a unique identifier, not including the name, for
20 each person incarcerated in a facility operated by the governmental
21 entity or in a private facility on behalf of the governmental entity
22 on the date for which the census reports population who completed a
23 census form, responded to a census inquiry, or was included in any
24 report provided to census officials, if the form, response, or
25 report indicated that the person resided at the facility on that
26 date;

27 (2) the age, gender, and race of each person included

1 in the report and whether the person is of Hispanic, Latino, or
2 Spanish origin, if known; and

4 before the person's current incarceration.

5 (c) Each governmental entity required to make a report under
6 Subsection (b) shall ensure that the entity collects and maintains
7 the information required to make the report. The comptroller shall
8 prescribe procedures that a governmental entity shall use to permit
9 each person included in the report to indicate the person's race and
10 ethnicity for purposes of Subsection (b)(2) in a manner similar to
11 the manner in which a person not incarcerated would indicate the
12 person's race and ethnicity for the federal decennial census.

13 (d) The comptroller shall request each agency that operates
14 a federal facility in this state that incarcerates persons
15 convicted of a criminal offense to provide the comptroller with a
16 report including the information listed in Subsection (b) for
17 persons convicted of an offense in this state.

18 (e) For each person included in a report received under
19 Subsection (b) or (d), the comptroller shall determine the
20 geographic units for which population counts are reported in the
21 federal decennial census that contain the last address at which the
22 person resided before the person's incarceration according to the
23 report and, if that address is in this state:

24 (1) adjust all relevant population counts reported in
25 the census, including populations by age, gender, race, and
26 Hispanic, Latino, or Spanish descent, as if the person resided at
27 that address on the day for which the census reports population; and

1 (2) eliminate the person from all applicable
2 population counts reported in the federal decennial census for the
3 geographic units that include the facility at which the person was
4 incarcerated on the day for which the census reports population.

14 wards, or precincts that are subject to the one-person, one-vote
15 requirement of the Constitution of the United States shall ensure
16 that after redistricting each of those election districts, wards,
17 or precincts does not vary from the average population of those
18 districts, wards, or precincts according to the most recent
19 adjusted population counts prepared by the comptroller under
20 Section 2058.003 by more than five percent.

21 (b) A state governmental body, including the legislature,
22 the Legislative Redistricting Board, or any state court, that
23 redistricts any election districts subject to the one-person,
24 one-vote requirement of the Constitution of the United States shall
25 comply with the restriction provided by Subsection (a).

26 (c) A governmental entity to which this section applies may
27 exceed the adjusted population restrictions required by this

1 section only to the extent necessary to comply with federal law or
2 the Texas Constitution.

3 SECTION 3. This Act takes effect January 1, 2012.
