15 (e) An economic development program may involve the  
16 granting or lending of money, services, or property to a person  
17 engaged in an economic development activity.

18 (f) The District may:

19 (1) employ staff and spend its resources, other than  
20 money received from an ad valorem tax or a general appropriation, to  
21 further an economic development program; and

22 (2) apply for and receive money, grants, or other  
23 assistance from any source to implement an economic development  
24 program.

25 (g) The District and any public or private person may enter  
26 into an agreement with respect to an economic development program.

27 (h) If the District proposes to provide scholarships,

1 grants, loans, or financial assistance to a public fire-fighting

3 (1) eligibility for the assistance;

4 (2) the amount of any loan, grant, or other assistance  
5 the District may provide; and

6 (3) the types of equipment, facilities, education, or  
7 training for which the assistance may be used.

8 SECTION 2. The legislature finds that the economic  
9 development programs authorized by Section 11, Chapter 186, Acts of  
10 the 50th Legislature, Regular Session, 1947, as added by this Act,  
11 are a specific public purpose and governmental function of the  
12 Lavaca-Navidad River Authority in accordance with:

13 (1) Section 52-a, Article III, Texas Constitution; and

14 (2) Section 59, Article XVI, Texas Constitution.

15 SECTION 3. This Act takes effect September 1, 2011.
