11 SUBCHAPTER C. POWERS AND DUTIES OF DEPARTMENT AND EXECUTIVE

12 COMMISSIONER

13 Sec. 260A.101. ADOPTION OF RULES. (a) The executive
14 commissioner shall adopt rules necessary to implement this chapter,
15 including rules to address, for each type of facility:

16 (1) requirements for the issuance, renewal, denial,
17 suspension, probation, and revocation of a license to operate a
18 facility;

19 (2) minimum standards for aspects of the operation of
20 the facility that the executive commissioner considers necessary to
21 protect the facility's patients and the public, including minimum
22 standards for:

23 (A) the qualifications for the facility's
24 professional staff and other personnel;

25 (B) the equipment, including imaging equipment,
26 essential to the health and welfare of the facility's patients; and

27 (C) the sanitary and hygienic conditions within

1 the premises of the facility;

2 (3) minimum design standards for the premises of a
3 facility necessary to ensure the health and safety of the
4 facility's patients;

5 (4) the establishment of a quality assurance program
6 for patient care; and

7 (5) if the facility is owned wholly or partly by a
8 physician or dentist, the provision of a disclosure to the
9 facility's patients of the physician's or dentist's ownership
10 interest in the facility and, at the option of the facility's
11 individual patients, the provision of a list of alternative service
12 providers for the services provided by the facility.

13 (b) For purposes of regulation of fluoroscopy-guided pain
14 management procedure centers, the executive commissioner by rule
15 shall adopt standards for determining whether a majority of
16 patients at a facility are provided a fluoroscopy-guided pain
17 management service by a pain management provider.

18 (c) In adopting the rules required under Subsection (a), the
19 executive commissioner may adopt different minimum standards and
20 requirements to reflect the different services provided and the
21 purposes served by each type of facility.

22 (d) This section does not authorize the executive
23 commissioner to:

24 (1) establish the qualifications of a licensed
25 practitioner; or

26 (2) permit a person to provide health care services
27 who is not authorized to provide those services under another state

1 law.

2 Sec. 260A.102. INSPECTIONS. The department may inspect a

4 this chapter and the rules adopted under this chapter.

9 SUBCHAPTER D. GENERAL ENFORCEMENT

10 Sec. 260A.151. DENIAL, SUSPENSION, PROBATION, OR
11 REVOCAION OF LICENSE. (a) The department may deny, suspend, or
12 revoke a license issued under this chapter for a violation of this
13 chapter or a rule adopted under this chapter.

14 (b) Except as provided by Section 260A.152, the procedures
15 by which the department denies, suspends, or revokes a license and
16 by which those actions are appealed are governed by the procedures
17 for a contested case hearing under Chapter 2001, Government Code.

18 (c) If the department finds that a facility is in repeated
19 noncompliance with this chapter or rules adopted under this chapter
20 but that the noncompliance does not endanger the public health and
21 safety, the department may schedule the facility for probation
22 rather than suspending or revoking the facility's license. The
23 department shall provide notice to the facility of the probation
24 and of the items of noncompliance not later than the 10th day before
25 the date the probation period begins. The department shall
26 designate a period of not less than 30 days during which the
27 facility will remain under probation. During the probation period,

1 the facility must correct the items that were in noncompliance and
2 report the corrections to the department for approval.

3 (d) The department may suspend or revoke the license of a
4 facility that does not correct items that were in noncompliance or
5 that does not comply with this chapter or the rules adopted under
6 this chapter within the applicable probation period.

7 Sec. 260A.152. EMERGENCY SUSPENSION. (a) The department
8 may issue an emergency order to suspend a license issued under this
9 chapter if the department has reasonable cause to believe that the
10 conduct of a license holder creates an immediate danger to the
11 public health and safety. An emergency suspension is effective
12 immediately on notice to the license holder.

13 (b) On written request of the license holder, the department
14 shall conduct a hearing not earlier than the 10th day or later than
15 the 30th day after the date the hearing request is received to
16 determine if the emergency suspension is to be continued, modified,
17 or rescinded.

18 (c) The hearing and any appeal are governed by the
19 department's rules for a contested case hearing and by Chapter
20 2001, Government Code.

21 Sec. 260A.153. INJUNCTION. (a) The department may
22 petition a district court for a temporary restraining order to
23 restrain a continuing violation of this chapter or the rules
24 adopted under this chapter if the department finds that the
25 violation creates an immediate threat to the health and safety of
26 the patients of a facility.

27 (b) A district court, on petition of the department and on a

1 finding by the court that a person is violating this chapter or the
2 rules adopted under this chapter, may by injunction:

- 3 (1) prohibit the person from continuing the violation;
4 (2) restrain or prevent the establishment or operation
5 of a facility without a license issued under this chapter; or
6 (3) grant any other injunctive relief warranted by the
7 facts.

8 (c) The attorney general shall institute and conduct a suit
9 authorized by this section at the request of the department. The
10 attorney general and the department may recover reasonable expenses
11 incurred in obtaining relief under this section, including court
12 costs, reasonable attorney's fees, investigation costs, witness
13 fees, and deposition expenses.

14 (d) Venue for a suit brought under this section is in the
15 county in which the facility is located or in Travis County.

16 Sec. 260A.154. CRIMINAL PENALTY. (a) A person commits an
17 offense if the person knowingly establishes or operates a facility
18 without the appropriate license issued under this chapter.

19 (b) An offense under this section is a Class C misdemeanor.

20 (c) Each day a violation continues constitutes a separate
21 offense.

22 Sec. 260A.155. CIVIL PENALTY. (a) A person who violates
23 this chapter or who fails to comply with a rule adopted by the
24 executive commissioner under this chapter is liable for a civil
25 penalty of not less than \$100 or more than \$500 for each violation
26 if the department determines the violation threatens the health and
27 safety of a patient of the facility.

1 (b) Each day a violation continues constitutes a separate
2 violation for the purposes of this section.

3 (c) The attorney general may sue to collect the penalty.
4 The attorney general and the department may recover reasonable
5 expenses incurred in obtaining relief under this section, including
6 court costs, reasonable attorney's fees, investigation costs,
7 witness fees, and deposition expenses.

8 (d) All penalties collected under this section shall be
9 deposited in the state treasury in the general revenue fund.

10 [Sections 260A.156-260A.200 reserved for expansion]

11 SUBCHAPTER E. ADMINISTRATIVE PENALTY

13 impose an administrative penalty on a person licensed under this
14 chapter who violates this chapter or a rule or order adopted under
15 this chapter.

16 Sec. 260A.202. AMOUNT OF PENALTY. (a) The amount of the
17 penalty may not exceed \$1,000 for each violation, and each day a
18 violation continues or occurs is a separate violation for purposes
19 of imposing a penalty. The total amount of the penalty assessed for
20 a violation continuing or occurring on separate days under this
21 subsection may not exceed \$5,000.

22 (b) The amount shall be based on:

23 (1) the seriousness of the violation, including the
24 nature, circumstances, extent, and gravity of the violation;

25 (2) the threat to health or safety caused by the
26 violation;

27 (3) the history of previous violations;

1 (4) the amount necessary to deter a future violation;

2 (5) whether the violator demonstrated good faith,

3 including when applicable whether the violator made good faith

4 efforts to correct the violation; and

5 (6) any other matter that justice may require.

6 Sec. 260A.203. REPORT AND NOTICE OF VIOLATION AND PENALTY.

7 (a) If the department initially determines that a violation

8 occurred, the department shall give written notice of the report by

9 certified mail to the person.

10 (b) The notice must:

11 (1) include a brief summary of the alleged violation;

12 (2) state the amount of the recommended penalty; and

13 (3) inform the person of the person's right to a

14 hearing on the occurrence of the violation, the amount of the

15 penalty, or both.

16 Sec. 260A.204. PENALTY TO BE PAID OR HEARING REQUESTED. (a)

17 Not later than the 20th day after the date the person receives the

18 notice sent under Section 260A.203, the person in writing may:

19 (1) accept the determination and recommended penalty

20 of the department; or

21 (2) make a request for a hearing on the occurrence of

22 the violation, the amount of the penalty, or both.

23 (b) If the person accepts the determination and recommended

24 penalty or if the person fails to respond to the notice, the

25 commissioner by order shall approve the determination and impose

26 the recommended penalty.

27 Sec. 260A.205. HEARING. (a) If the person requests a

1 hearing, the commissioner shall refer the matter to the State
2 Office of Administrative Hearings, which shall promptly set a
3 hearing date and give written notice of the time and place of the
4 hearing to the person. An administrative law judge of the State
5 Office of Administrative Hearings shall conduct the hearing.

6 (b) The administrative law judge shall make findings of fact
7 and conclusions of law and promptly issue to the commissioner a
8 proposal for a decision about the occurrence of the violation and
9 the amount of a proposed penalty.

10 Sec. 260A.206. DECISION BY COMMISSIONER. (a) Based on the
11 findings of fact, conclusions of law, and proposal for a decision,
12 the commissioner by order may:

13 (1) find that a violation occurred and impose a
14 penalty; or

15 (2) find that a violation did not occur.

16 (b) The notice of the commissioner's order under Subsection
17 (a) that is sent to the person in accordance with Chapter 2001,
18 Government Code, must include a statement of the right of the person
19 to judicial review of the order.

20 Sec. 260A.207. OPTIONS FOLLOWING DECISION: PAY OR APPEAL.
21 Not later than the 30th day after the date the order of the
22 commissioner under Section 260A.206 that imposes an administrative
23 penalty becomes final, the person shall:

24 (1) pay the penalty; or

25 (2) file a petition for judicial review of the
26 commissioner's order contesting the occurrence of the violation,
27 the amount of the penalty, or both.

1 Sec. 260A.208. STAY OF ENFORCEMENT OF PENALTY. (a) Within
2 the period prescribed by Section 260A.207, a person who files a
3 petition for judicial review may:

4 (1) stay enforcement of the penalty by:

5 (A) paying the penalty to the court for placement
6 in an escrow account; or

7 (B) giving the court a supersedeas bond approved
8 by the court that:

9 (i) is for the amount of the penalty; and

10 (ii) is effective until all judicial review
11 of the commissioner's order is final; or

12 (2) request the court to stay enforcement of the
13 penalty by:

14 (A) filing with the court a sworn affidavit of
15 the person stating that the person is financially unable to pay the
16 penalty and is financially unable to give the supersedeas bond; and

17 (B) sending a copy of the affidavit to the
18 commissioner by certified mail.

19 (b) If the commissioner receives a copy of an affidavit
20 under Subsection (a)(2), the commissioner may file with the court,
21 not later than the fifth day after the date the copy is received, a
22 contest to the affidavit. The court shall hold a hearing on the
23 facts alleged in the affidavit as soon as practicable and shall stay
24 the enforcement of the penalty on finding that the alleged facts are
25 true. The person who files an affidavit has the burden of proving
26 that the person is financially unable to pay the penalty and to give
27 a supersedeas bond.

1 Sec. 260A.209. COLLECTION OF PENALTY. (a) If the person
2 does not pay the penalty and the enforcement of the penalty is not
3 stayed, the penalty may be collected.

4 (b) The attorney general may sue to collect the penalty and
5 may recover reasonable expenses, including attorney's fees,
6 incurred in recovering the penalty.

7 (c) A penalty collected under this subchapter shall be
8 deposited in the state treasury in the general revenue fund.

9 Sec. 260A.210. DECISION BY COURT. (a) If the court
10 sustains the finding that a violation occurred, the court may
11 uphold or reduce the amount of the penalty and order the person to
12 pay the full or reduced amount of the penalty.

13 (b) If the court does not sustain the finding that a
14 violation occurred, the court shall order that a penalty is not
15 owed.

16 Sec. 260A.211. REMITTANCE OF PENALTY AND INTEREST. (a) If
17 the person paid the penalty and if the amount of the penalty is
18 reduced or the penalty is not upheld by the court, the court shall
19 order, when the court's judgment becomes final, that the
20 appropriate amount plus accrued interest be remitted to the person
21 not later than the 30th day after the date that the judgment of the
22 court becomes final.

23 (b) The interest accrues at the rate charged on loans to
24 depository institutions by the New York Federal Reserve Bank.

25 (c) The interest shall be paid for the period beginning on
26 the date the penalty is paid and ending on the date the penalty is
27 remitted.

1 Sec. 260A.212. RELEASE OF BOND. (a) If the person gave a
2 supersedeas bond and the penalty is not upheld by the court, the
3 court shall order, when the court's judgment becomes final, the
4 release of the bond.

5 (b) If the person gave a supersedeas bond and the amount of
6 the penalty is reduced, the court shall order the release of the
7 bond after the person pays the reduced amount.

8 Sec. 260A.213. ADMINISTRATIVE PROCEDURE. A proceeding to
9 impose the penalty is considered to be a contested case under
10 Chapter 2001, Government Code.

11 SECTION 2. (a) Not later than January 1, 2012, the
12 executive commissioner of the Health and Human Services Commission
13 shall adopt the rules required by Chapter 260A, Health and Safety
14 Code, as added by this Act.

15 (b) Notwithstanding Section 260A.051, Health and Safety
16 Code, as added by this Act, a person is not required to hold a
17 diagnostic imaging facility license or a fluoroscopy-guided pain
18 management procedure center license until March 1, 2012.

19 SECTION 3. (a) Except as provided by Subsection (b) of
20 this section, this Act takes effect September 1, 2011.

21 (b) Subchapters D and E, Chapter 260A, Health and Safety
22 Code, as added by this Act, take effect September 1, 2012.
