10 health or welfare, including the provision of firefighting and fire
11 prevention services; or

12 (5) the promotion of economic development and tourism.

13 (b) The order calling the election must:

14 (1) define the boundaries of the district to include
15 any portion of the county in which the combined tax rate of all
16 local sales and use taxes imposed, including the rate to be imposed
17 by the district if approved at the election, would not exceed the
18 maximum combined rate of sales and use taxes imposed by political
19 subdivisions of this state that is prescribed by Sections 321.101
20 and 323.101, Tax Code [~~two percent~~]; and

21 (2) call for the election to be held within those
22 boundaries.

23 (b-1) If the proposed district includes any territory of a
24 municipality, the commissioners court shall send notice by
25 certified mail to the governing body of the municipality of the
26 commissioners court's intent to create the district. If the
27 municipality has created a development corporation under Chapter

1 504 or 505, Local Government Code [~~Section 4A or 4B, Development~~
2 ~~Corporation Act of 1979 (Article 5190.6, Vernon's Texas Civil~~
3 ~~Statutes)~~], the commissioners court shall also send the notice to
4 the board of directors of the corporation. The commissioners court
5 must send the notice not later than the 60th day before the date the
6 commissioners court orders the election. The governing body of the
7 municipality may exclude the territory of the municipality from the
8 proposed district by sending notice by certified mail to the
9 commissioners court of the governing body's desire to exclude the
10 municipal territory from the district. The governing body must
11 send the notice not later than the 45th day after the date the
12 governing body receives notice from the commissioners court under
13 this subsection. The territory of a municipality that is excluded
14 under this subsection may subsequently be included in:

15 (1) the district in an election held under Subsection
16 (f) with the consent of the municipality; or

17 (2) another district after complying with the
18 requirements of this subsection and after an election under
19 Subsection (f).

20 (c) The ballot at the election must be printed to permit
21 voting for or against the proposition: "Authorizing the creation
22 of the ____ County Assistance District No. ____ (insert name of
23 district) and the imposition of a sales and use tax at the rate of
24 ____ [~~of one~~] percent (insert [~~one-eighth, one-fourth,~~
25 ~~three-eighths, or one-half, as~~] appropriate rate) for the purpose
26 of financing the operations of the district."

27 (e) If a majority of the votes received at the election are

1 against the creation of the district, the district is not created
2 and the county at any time may call one or more elections [~~another~~
3 ~~election~~] on the question of creating one or more [~~a~~] county
4 assistance districts [~~district may not be held in the county before~~
5 ~~the first anniversary of the most recent election concerning the~~
6 ~~creation of a district~~].

7 (f) The commissioners court may call an election to be held
8 in an area of the county that is not located in a district created
9 under this section to determine whether the area should be included
10 in the district and whether the district's sales and use tax should
11 be imposed in the area. An election may not be held in an area in
12 which the combined tax rate of all local sales and use taxes
13 imposed, including the rate to be imposed by the district if
14 approved at the election, would exceed the maximum combined rate of
15 sales and use taxes imposed by political subdivisions of this state
16 that is prescribed by Sections 321.101 and 323.101, Tax Code [~~two~~
17 ~~percent~~].

18 (h) If more than one election to authorize a local sales and
19 use tax is held on the same day in the area of a proposed district or
20 an area proposed to be added to a district and if the resulting
21 approval by the voters would cause the imposition of a local sales
22 and use tax in any area to exceed the maximum combined rate of sales
23 and use taxes of political subdivisions of this state that is
24 prescribed by Sections 321.101 and 323.101, Tax Code [~~two percent~~],
25 only a tax authorized at an election under this section may be
26 imposed.

27 (i) In addition to the authority to include an area in a

1 district under Subsection (f), the governing body of a district by
2 order may include an area in the district on receipt of a petition
3 or petitions signed by the owner or owners of the majority of the
4 land in the area to be included in the district. If there are no
5 qualified voters in the area to be included in the district, no
6 election is required.

7 (j) The commissioners court by order may exclude an area
8 from the district if the district has no outstanding bonds payable
9 wholly or partly from sales and use taxes and the exclusion does not
10 impair any outstanding district debt or contractual obligation.

11 SECTION 16. Section 387.005, Local Government Code, is
12 amended to read as follows:

13 Sec. 387.005. GOVERNING BODY. (a) The commissioners

24 (c) A board of directors appointed by the commissioners
25 court under this section shall consist of five directors who serve
26 staggered terms of two years. To be eligible to serve as a

26 amended by amending Subsection (b) and adding Subsection (c) to
27 read as follows:

1 (b) A district may not adopt a sales and use tax under this
2 chapter if the adoption of the tax would result in a combined tax
3 rate of all local sales and use taxes that would exceed the maximum
4 combined rate prescribed by Sections 321.101 and 323.101, Tax Code,
5 ~~[of more than two percent]~~ in any location in the district.

6 (c) A district may define areas in the district to pay for
7 improvements, facilities, or services that primarily benefit that
8 area and do not generally and directly benefit the district as a
9 whole. The district may impose different rates of sales and use tax
10 in each defined area, provided that the sales and use tax rate does
11 not exceed the rate approved at an election held under Section
12 387.003.

26 debt or contractual obligation;

1 increased rate of the sales and use tax will not exceed the rate
2 approved at an election held under Section 387.003; or

3 (3) increase the rate of the sales and use tax to a
4 rate that exceeds the rate approved at an election held under
5 Section 387.003 after [~~if~~] the increase [~~change or repeal~~] is
