H.B. No. 3558

A BILL TO BE ENTITLED

AN ACT

relating to information used by the Electric Reliability Council of Texas to settle or resettle a market participant's load or certain trade days.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 39.151, Utilities Code, is amended by adding Subsection (n) to read as follows:

(n) To settle or resettle a market participant's load or a market participant's trade day in which digital or real time meters are not used or not otherwise in service, an independent organization certified by the commission under this section shall use any information available to the organization, including information from a TDU meter or other meter, electric service identifier or other identifier information, and premise or circuit information.

SECTION 2. The change in law made by this Act applies only to the settlement or resettlement of a market participant's load or trade day that occurs on or after January 1, 2011.

SECTION 3. This Act takes effect September 1, 2011.
