12 date of the Act enacting this chapter. The district is created to  
13 supplement and not to supplant the city and county services  
14 provided in the district.

15 Sec. 3900.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)  
16 The district is created to serve a public use and benefit.

19 necessary components of a street and are considered to be a street  
20 or road improvement.

21           (g) The district will not act as the agent or
