proposing a constitutional amendment to clarify references to the
permanent school fund, to allow the General Land Office to
distribute revenue derived from permanent school fund land or other
properties to the available school fund, and to provide for an
increase in the market value of the permanent school fund for the
purpose of allowing increased distributions from the available
school fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
SECTION 1. Section 49-b(h), Article III, Texas
Constitution, is amended to read as follows:

(h) Lands purchased and comprising a part of the Veterans' Land Fund are declared to be held for a governmental purpose, but the individual purchasers of those lands shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent [Free Public] School Fund. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest, determined by the Board and in accordance with rules of the Board. Notwithstanding any provisions of this section to the contrary, lands in the Veterans' Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, on terms, at prices, and at rates of interest determined by the Board and in accordance with rules of the Board.
SECTION 2. Sections 2 and 4, Article VII, Texas Constitution, are amended to read as follows:

Sec. 2. All funds, lands and other property heretofore set apart and appropriated for the support of public schools; all the alternate sections of land reserved by the State out of grants heretofore made or that may hereafter be made to railroads or other corporations of any nature whatsoever; one half of the public domain of the State; and all sums of money that may come to the State from the sale of any portion of the same, shall constitute a permanent school fund.

Sec. 4. The lands herein set apart to the Permanent School fund, shall be sold under such regulations, at such times, and on such terms as may be prescribed by law; and the Legislature shall not have power to grant any relief to purchasers thereof. The proceeds of such sales must be used to acquire other land for the Permanent School fund as provided by law or the proceeds shall be invested by the comptroller of public accounts, as may be directed by the Board of Education herein provided for, in the bonds of the United States, the State of Texas, or counties in said State, or in such other securities, and under such restrictions as may be prescribed by law; and the State shall be responsible for all investments.

SECTION 3. Section 5, Article VII, Texas Constitution, is amended by amending Subsection (a) and adding Subsection (g) to read as follows:

(a) The permanent school fund consists of all land appropriated for public schools by this constitution or the other
laws of this state, other properties belonging to the permanent
school fund, and all revenue derived from the land or other
properties. The available school fund consists of the
distributions made to it from the total return on all investment
assets of the permanent school fund, the taxes authorized by this
constitution or general law to be part of the available school fund,
and appropriations made to the available school fund by the
legislature. The total amount distributed from the permanent
school fund to the available school fund:

(1) in each year of a state fiscal biennium must be an
amount that is not more than six percent of the average of the
market value of the permanent school fund, excluding real property
belonging to the fund that is managed, sold, or acquired under
Section 4 of this article, but including discretionary real assets
investments and cash in the state treasury derived from property
belonging to the fund, on the last day of each of the 16 state fiscal
quarters preceding the regular session of the legislature that
begins before that state fiscal biennium, in accordance with the
rate adopted by:

(A) a vote of two-thirds of the total membership
of the State Board of Education, taken before the regular session of
the legislature convenes; or

(B) the legislature by general law or
appropriation, if the State Board of Education does not adopt a rate
as provided by Paragraph (A) of this subdivision; and

(2) over the 10-year period consisting of the current
state fiscal year and the nine preceding state fiscal years may not
exceed the total return on all investment assets of the permanent school fund over the same 10-year period.

(g) Notwithstanding any other provision of this constitution or of a statute, the General Land Office or an entity other than the State Board of Education that has responsibility for the management of permanent school fund land or other properties may in its sole discretion distribute to the available school fund each year revenue derived during that year from the land or properties, not to exceed $300 million each year.

SECTION 4. The following temporary provision is added to the Texas Constitution:

TEMPORARY PROVISION. (a) This temporary provision applies to the constitutional amendment proposed by H.J.R. No. 109, 82nd Legislature, Regular Session, 2011, providing for an increase in the market value of the permanent school fund for the purpose of allowing increased distributions from the available school fund.

(b) The change to Section 5(a), Article VII, of this constitution made by the amendment applies to a distribution from the permanent school fund to the available school fund made on or after September 1, 2011.

(c) This temporary provision expires December 1, 2015.

SECTION 5. This proposed constitutional amendment shall be submitted to the voters at an election to be held November 8, 2011. The ballot shall be printed to provide for voting for or against the proposition: "The constitutional amendment clarifying references to the permanent school fund, allowing the General Land Office to distribute revenue from permanent school fund land or other
properties to the available school fund to provide additional
funding for public education, and providing for an increase in the
market value of the permanent school fund for the purpose of
allowing increased distributions from the available school fund."
