22 (b); and

23 (2) the director has approved the agency's policy.

24 (d) The department may conduct an audit of a designated law
25 enforcement agency to ensure compliance with a written policy
26 adopted under Subsection (a) and with the other provisions of this
27 article. If after conducting an audit the department determines

that the designated law enforcement agency is not in compliance as described by this subsection, the department shall notify the agency in writing not later than the 30th day after the date of the determination. If on the 90th day after the date the notice is received the department determines that the agency is not in compliance, the agency relinquishes the authority provided by this article until the agency is in compliance.

SECTION 5. Section 6, Article 18.20, Code of Criminal Procedure, is amended to read as follows:

Sec. 6. REQUEST FOR APPLICATION FOR INTERCEPTION. (a) The director or a chief law enforcement officer may, based on written affidavits, request in writing that a prosecutor apply for an order authorizing interception of wire, oral, or electronic communications.

1 (b) The head of a local law enforcement agency, other than a
2 designated law enforcement agency authorized to act under Section
3 5A, or, if the head of the local law enforcement agency is absent or
4 unable to serve, the acting head of the local law enforcement agency
5 may, based on written affidavits, request in writing that a
6 prosecutor apply for an order authorizing interception of wire,
7 oral, or electronic communications. Prior to the requesting of an
8 application under this subsection, the head of a local law
9 enforcement agency must submit the request and supporting
10 affidavits to the director or a chief law enforcement officer, who
11 shall make a finding in writing whether the request and supporting
12 affidavits establish that other investigative procedures have been
13 tried and failed or they reasonably appear unlikely to succeed or to
14 be too dangerous if tried, is feasible, is justifiable, and whether
15 the Department of Public Safety or designated law enforcement
16 agency, as applicable, has the necessary resources available. The
17 prosecutor may file the application only after a written positive
18 finding on all the above requirements by the director or a chief law
19 enforcement officer.

20 SECTION 6. Subsection (d), Section 9, Article 18.20, Code
21 of Criminal Procedure, is amended to read as follows:

22 (d) An order entered pursuant to this section may not
23 authorize the interception of a wire, oral, or electronic

26 for more than 30 days. The initial period of interception begins on
27 the earlier of the date the investigative or law enforcement

1 officer begins to intercept communications or the 10th day after
2 the date the interception order is entered. The issuing judge may
3 grant extensions of an order, but only on application for an
4 extension made in accordance with Section 8 and the court making the
5 findings required by Subsection (a). The period of extension may
6 not be longer than the authorizing judge deems necessary to achieve
7 the purposes for which it is granted and in no event may the
8 extension be for more than 30 days. To be valid, each order and
9 extension of an order must provide that the authorization to
10 intercept be executed as soon as practicable, be conducted in a way
11 that minimizes the interception of communications not otherwise
12 subject to interception under this article, and terminate on
13 obtaining the authorized objective or within 30 days, whichever
14 occurs sooner. If the intercepted communication is in code or a
15 foreign language and an expert in that code or language is not
16 reasonably available during the period of interception,
17 minimization may be accomplished as soon as practicable after the
18 interception.

19 SECTION 7. Subsection (c), Section 15, Article 18.20, Code
20 of Criminal Procedure, is amended to read as follows:

21 (c) Any judge or prosecutor required to file a report with
22 the Administrative Office of the United States Courts shall forward
23 a copy of the [~~such~~] report to the director of the Department of
24 Public Safety. On or before March 1 of each year, the director

(4) the total cost to the Department of Public Safety and designated law enforcement agencies of all activities and procedures relating to the seizure of intercepts during the preceding calendar year, including costs of equipment, manpower, and expenses incurred as compensation for use of facilities or technical assistance provided to the department and designated law enforcement agencies.

SECTION 8. (a) The changes in law made by this Act in amending Sections 1, 3, 5, and 6 and adding Section 5A, Article 18.20, Code of Criminal Procedure, apply only to the interception of wire, oral, or electronic communications on or after the effective date of this Act. The interception of wire, oral, or electronic communications before the effective date of this Act is governed by the law in effect when the interception occurred, and

1 the former law is continued in effect for that purpose.

2 (b) The change in law made by this Act in amending Section 9,
3 Article 18.20, Code of Criminal Procedure, applies only to a court
4 order issued on or after the effective date of this Act. A court
5 order issued before the effective date of this Act is governed by
6 the law in effect on the date the court order was issued, and the
7 former law is continued in effect for that purpose.

8 SECTION 9. This Act takes effect September 1, 2011.
