S.C.R. No. 5

1                                 SENATE CONCURRENT RESOLUTION

2             WHEREAS, The cruise operations in the homeports of Galveston  
3 and Houston have an enormous economic impact on Texas; together,  
4 the cities hosted some 680,000 passenger and crew visits in 2007,  
5 which accounted for \$1.07 billion in direct spending; in addition,  
6 the industry was responsible for generating over 18,500 Texas jobs  
7 and paying \$893 million in wage income; and

8             WHEREAS, South of Galveston, between Calhoun and Cameron  
9 Counties, Texas is home to several growing cities, robust tourism,  
10 and a wealth of natural resources; the area also hosts three major  
11 deepwater ports, any of which might be a viable site for a cruise  
12 line headquarters or a port of embarkation; and

13             WHEREAS, Florida and California, respectively, benefit the  
14 most from the North American cruise industry; both states currently  
15 operate five ports, including Port Canaveral, Port Everglades,  
16 Jacksonville, Miami, and Tampa in Florida, and Los Angeles, Long  
17 Beach, San Diego, San Francisco, and Oakland in California; an  
18 additional Texas cruise ship port between Calhoun and Cameron  
19 Counties could offer an attractive vacation option for a  
20 significant portion of the state's residents and be an economic  
21 boon to the state as a whole; now, therefore, be it

22             RESOLVED, That the 82nd Legislature of the State of Texas  
23 hereby request the lieutenant governor and the speaker of the house  
24 of representatives to provide for a joint interim legislative study

1 regarding the development of a cruise industry on the Texas coast  
2 between Calhoun and Cameron Counties and its potential economic  
3 impact; and, be it further

4         RESOLVED, That the committee's proceedings and operations be  
5 governed by such general rules and policies for joint interim  
6 committees as the 82nd Legislature may adopt.
