Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 3, 2011

TO: Honorable Jim Jackson, Chair, House Committee on Judiciary & Civil Jurisprudence

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB627 by Woolley (relating to a fee collected by a district clerk for certain certified copies.),
Committee Report 1st House, Substituted

No significant fiscal implication to the State is anticipated.

The bill would amend the Government Code to require a district court clerk to collect a fee for a certified copy not to exceed \$1 per page or for part of a page that would be retained by the county.

Local Government Impact

There could be a positive fiscal impact from additional revenue resulting from the new fee that would vary depending on the number of certified copies made by a district court; however, the amount is not anticipated to be significant.

Comal County and Travis County reported there would be no fiscal impact.

According to the Comptroller of Public Accounts, counties reported a one-time setup expense in fiscal year (FY) 2011, but would receive additional revenue in subsequent fiscal years.

Henderson County estimated a cost of \$5,000 for FY 2011 to implement the system and an annual software maintenance fee of \$1,000; and prorated revenue of \$1,250. In FY 2012 there would be an estimated revenue gain of \$15,000 and \$25,000 in subsequent fiscal years.

Fort Bend County estimated a cost of \$5,000 for FY 2011 to implement the system and prorated revenue of \$2,600. In FY 2012 and 2013 there would be an estimated revenue gain of \$31,200 and \$62,400 in subsequent fiscal years.

Titus County reported a cost of \$500 for FY 2011 to implement the system and prorated revenue of \$167. In FY 2012 there would be a revenue gain of \$2,000 and similar amounts in subsequent fiscal years.
