---

The bill would amend Government Code, Chapter 403 to require the Comptroller to report to the Legislature and Governor before each regular session of the Legislature the amount of revenue remitted to the Comptroller in each municipality and county for each tax collected by the Comptroller if that information is available from tax returns. The bill would direct the Comptroller to publish the report on the agency's Internet website not later than the 20th day after the report is provided to the Legislature and Governor. It is anticipated that any additional costs associated with implementation of the legislation could be absorbed within existing resources.

**Local Government Impact**
