FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 18, 2011

TO: Honorable Florence Shapiro, Chair, Senate Committee on Education

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB677 by Lucio III (Relating to cognitive-linguistic or neurocognitive assessments of participants in extracurricular athletic activities sponsored or sanctioned by the University Interscholastic League.), **As Engrossed**

No fiscal implication to the State is anticipated.

Local Government Impact

The University Interscholastic League estimates the local cost to provide cognitive-linguistic or neurocognitive assessment exams at approximately \$1.5 million in annual costs across all school districts. UIL estimates \$3 for each exam issued to approximately 500,000 state-wide high school students (does not include junior high students) beginning with the school year 2012-13. School districts could charge a fee to recover the cost of the exam.
