FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 10, 2011

TO: Honorable Pete Gallego, Chair, House Committee on Criminal Jurisprudence

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB921 by Lewis (Relating to the reimbursement of certain medical, dental, or health-related services as a condition of community supervision and to the revocation of community supervision for failure to make certain payments.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Code of Criminal Procedure to add reimbursement of certain medical, dental, or health-related services to the county in which a defendant was confined in a county jail to the list of conditions of community supervision that a judge would be required to determine.

The bill would take effect September 1, 2011.

Local Government Impact

There could be a positive fiscal impact to a county that receives reimbursement for certain services by a defendant, but the amount would vary depending on the number of eligible defendants and the amount of the related expenses incurred by the county.
