

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 17, 2011

TO: Honorable Pete Gallego, Chair, House Committee on Criminal Jurisprudence

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB922 by Riddle (Relating to the penalty for theft of an automated teller machine or the contents or components of an automated teller machine.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Penal Code as it relates to the theft of an automated teller machine (ATM) or the contents or components of an ATM. Under the provisions of the bill, theft of an ATM or the contents or components of an ATM whose value was less than \$200,000 would be a second degree felony. The bill would take effect on September 1, 2011 and would apply to an offense committed on or after the effective date.

For this analysis, it is assumed that the number of offenders convicted under this statute would not result in a significant impact on the programs and workload of state corrections agencies or on the demand for resources and services of those agencies.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
