

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

March 4, 2011

TO: Honorable Larry Phillips, Chair, House Committee on Transportation

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB1010 by Bonnen (Relating to enforcement of commercial motor vehicle safety standards in certain municipalities.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to add to those municipalities in which a police officer is eligible to apply for certification to enforce commercial motor vehicle safety standards, a municipality within 25 miles from an international port and in a county without an interstate highway that is adjacent to a county with a population greater than 3.3 million.

Local Government Impact

There could be a fiscal impact to applicable municipalities that would be responsible for costs associated with officers attending training to become certified. It is assumed that a municipality would only apply for certification if associated costs could be absorbed within an existing budget; therefore, no significant fiscal implication to units of local government is anticipated.
