**March 4, 2011**

**TO:** Honorable Rob Eissler, Chair, House Committee on Public Education

**FROM:** John S O'Brien, Director, Legislative Budget Board

**IN RE: HB1189** by Callegari (Relating to school district consideration of a vendor's principal place of business in making a contract award determination.), **As Introduced**

**No fiscal implication to the State is anticipated.**

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated. School districts would be required to consider whether a vendor, or the vendor's parent company or majority owner, was located in Texas in addition to existing criteria before awarding a contract for goods and services. This requirement would not apply to contracts for goods and services related to building construction and maintenance.
