

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

March 15, 2011

TO: Honorable Sid Miller, Chair, House Committee on Homeland Security & Public Safety

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB1356 by Gooden (Relating to the carrying of concealed handguns on certain premises of or locations associated with schools or institutions of higher education.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would restrict an institution of higher education from adopting rules prohibiting the carrying of licensed concealed handguns on campus by a faculty member, staff member, or employee of the institution. The bill amends both the Government Code and the Penal Code and would take effect September 1, 2011. Changes to the Penal Code apply only to an offense committed on or after the bill's effective date.

Institutions of higher education reported that the bill's provisions could increase costs related to campus police operations, security programs, and staff training. Adaptation of campus facilities to accommodate the storage of handguns could result in new costs for institutions.

For this analysis it is assumed implementing the provisions of the bill would not result in a significant impact on the programs and workload of State corrections agencies or on the demand for resources of those agencies.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
