

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 4, 2011

TO: Honorable Richard Pena Raymond, Chair, House Committee on Human Services

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB1615 by Brown (Relating to the administering of medications to children in certain facilities; providing criminal penalties.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Human Resources Code, Chapter 42, by adding Section 42.065, relating to administering medication by daycare providers, including licensed centers and licensed, registered, or listed homes. The statute would lay out requirements for the distribution of a medication to a child. The statute would also create an offense if a person administers a medication to a child in violation of this section, which would be a Class A misdemeanor.

The Department of Family and Protective Services (DFPS) states that implementation of the bill would require amendments to rules, the creation of policies and procedures, and the addition of an indicator to the data system showing which providers administer medications. DFPS indicates the bill would be implemented within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
