Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 2, 2011

TO: Honorable Rodney Ellis, Chair, Senate Committee on Government Organization

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB1781 by Price (Relating to obsolete or redundant reporting requirements applicable to state agencies.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 2052 of the Government Code to create a new examination of statutory reporting requirements. Not later than August 1, 2012, the Executive Director of each state agency would be required to examine the agency's statutory reporting requirements and identify reports that are determined to be unnecessary, redundant, or required to be provided at a frequency for which data is not available. An electronic report would be created and provided to the Governor, Lieutenant Governor, the Speaker of the House of Representatives, chair of the House Committee on Government Efficiency and Reform, chair of the Senate Committee on Government Organization, Texas State Library and Archives Commission, and Legislative Budget Board. Reports submitted may not include reporting requirements that are required by federal law.

This analysis assumes that the requirements of the bill could be accomplished with existing resources. The bill would take effect September 1, 2011 and would expire September 1, 2014.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
