

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION**

**March 21, 2011**

**TO:** Honorable Wayne Smith, Chair, House Committee on Environmental Regulation

**FROM:** John S O'Brien, Director, Legislative Budget Board

**IN RE: HB2025** by McClendon (Relating to the implementation of county solid waste management programs.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would amend the Health and Safety Code to authorize a commissioner's court to establish a mandatory program to regulate solid waste in the extraterritorial jurisdiction of a municipality only if the population density is more than 3,000 persons per square mile, and it has been determined the area has a problem with illegal dumping.

**Local Government Impact**

There could be a fiscal impact to a county that chose to establish a solid waste program; however, those amounts would vary by locality and are not anticipated to be significant.
