

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 12, 2011

TO: Honorable Robert Duncan, Chair, Senate Committee on State Affairs

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2102 by Hernandez Luna (Relating to the requirement that certain health benefit plans provide coverage for supplemental breast cancer screening.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Insurance Code relating to the requirement that certain health benefit plans provide coverage for supplemental breast cancer screening.

Based on the analysis provided by the Texas Department of Insurance (TDI), it is assumed that any costs associated with the implementation of this bill would be absorbed within existing agency resources. Also based on information provided by TDI, this analysis assumes that implementation of the bill could result in a one-time revenue gain (\$33,100 in fiscal year 2012) in General Revenue-Dedicated Texas Department of Insurance Fund 36 from filing fees. Since General Revenue-Dedicated Texas Department of Insurance Fund 36 is a self-leveling account, this analysis also assumes that any additional revenue resulting from the implementation of the bill would accumulate in the account fund balances and that the department would adjust the assessment of the maintenance tax or other fees accordingly in the following year.

In fiscal years 2014 through 2016, these costs may differ depending on the essential health benefits approved by Health and Human Services per Section 1311 (d) (3) (B) of the Patient Protection and Affordable Care Act of 2010.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
