

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 11, 2011

TO: Honorable John T. Smithee, Chair, House Committee on Insurance

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2336 by Smithee (Relating to payment of and disclosures related to certain ambulatory surgical center charges.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend the Insurance Code relating to payment of and disclosures related to certain ambulatory surgical center charges. Based on the analysis provided by the Texas Department of Insurance (TDI), it is assumed that any costs associated with the implementation of this bill would be absorbed within existing agency resources. Also based on information provided by TDI, this analysis assumes that implementation of the bill could result in a one-time revenue gain (\$42,600 in fiscal year 2012) in General Revenue-Dedicated Texas Department of Insurance Fund 36 from filing fees. Since General Revenue-Dedicated Texas Department of Insurance Fund 36 is a self-leveling account, this analysis also assumes that any additional revenue resulting from the implementation of the bill would accumulate in the account fund balances and that the department would adjust the assessment of the maintenance tax or other fees accordingly in the following year.

In fiscal years 2014 through 2016, these costs may differ depending on the essential health benefits approved by Health and Human Services per Section 1311 (d) (3) (B) of the Patient Protection and Affordable Care Act of 2010.

Local Government Impact

No fiscal implication to units of local government is anticipated.
