LEGISLATIVE BUDGET BOARD Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 17, 2011

TO: Honorable Harvey Hilderbran, Chair, House Committee on Ways & Means

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2353 by Madden (Relating to a franchise or insurance premium tax credit for contributions made to certain educational assistance organizations.), As Introduced

Estimated Two-year Net Impact to General Revenue Related Funds for HB2353, As Introduced: a negative impact of (\$15,315,000) through the biennium ending August 31, 2013.

The bill would result in a revenue loss of (\$52,935,000) from the Property Tax Relief Fund in fiscal year 2013. Any loss to the Property Tax Relief Fund must be made up with an equal amount of General Revenue to fund the Foundation School Program.

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

General Revenue-Related Funds, Five-Year Impact:

Fiscal Year	Probable Net Positive/(Negative) Impact to General Revenue Related Funds	
2012	\$0	
2013	(\$15,315,000)	
2014	(\$16,081,000)	
2015	(\$16,885,000)	
2016	(\$17,729,000)	

All Funds, Five-Year Impact:

Fiscal Year	Probable Revenue (Loss) from General Revenue Fund 1	Probable Revenue (Loss) from Foundation School Fund 193	Probable Revenue (Loss) from Property Tax Relief Fund 304
2012	\$0	\$0	\$0
2013	(\$11,486,000)	(\$3,829,000)	(\$52,935,000)
2014	(\$12,061,000)	(\$4,020,000)	(\$55,582,000)
2015	(\$12,664,000)	(\$4,221,000)	(\$58,361,000)
2016	(\$13,297,000)	(\$4,432,000)	(\$61,279,000)

Fiscal Analysis

The bill would amend Chapter 171 of the Tax Code, regarding the franchise tax, and Subtitle B, Title 3 of the Insurance Code to add franchise tax and insurance premium tax credits for contributions to certain nonprofit educational assistance organizations.

The bill would amend Chapter 171 to add a definition and set eligibility requirements for certification by the Comptroller of a nonprofit educational assistance organization. The bill would set requirements

for a nonpublic school to be eligible to enroll students who receive a scholarship from an organization and for students' eligibility to qualify for assistance from an organization. The bill would set the maximum amounts for a scholarship and for educational expense assistance.

For the franchise tax credit, the bill would require money donated to an organization be designated for scholarships or educational expense assistance for eligible students. The tax credit for a contribution to an organization would be the lesser of the amount of the contribution or 50 percent of the taxable entity's tax liability. The bill would specify a total amount of credit that could be claimed by all taxable entities under both the franchise tax and the insurance tax for a state fiscal year. For fiscal 2012, the amount would be \$65 million. The maximum would grow by five percent per year for future years. The Comptroller would prescribe procedures for allocating credits on a "first-come, first-served" basis based on the date the contributions were initially made if credits claimed exceed the maximum. The Comptroller may require an entity to notify the Comptroller of the amount of credit an entity intends to claim. A taxable entity would apply for the credit on the tax report for the period for which the credit is claimed. A taxable entity could not convey, assign, or transfer the credit to another taxable entity. The Comptroller would adopt rules, procedures, and forms to administer the credit provisions.

For insurance premium taxes, the provisions for the credit against an entity's state premium tax liability would follow those for the franchise tax with one exception. For the insurance premium tax the credit limit is equal to the lesser of the amount of the contribution or 50 percent of the entity's state premium tax liability after other applicable credits.

The bill would provide that a constitutional challenge to any of the bill's provisions would be subject to an accelerated appeal to the supreme

This bill would take effect January 1, 2012, and apply only to expenditures made on or after that date.

Methodology

Under the bill's provisions there would be no fiscal impact in 2012 because eligible contributions made on or after January 1, 2012 would be taken on a report due in fiscal 2013. The maximum amount of credit that could be taken in 2013 would be \$68.25 million under both the franchise tax and the insurance premium taxes. The limit on the amount of credit available in 2014 and beyond would increase by five percent per year. The fiscal impact of the bill would depend on certification of one or more nonprofit educational assistance organizations by the Comptroller and the effectiveness of the organizations in soliciting contributions from taxable entities.

The estimated fiscal impact assumes that one or more nonprofit educational assistance organizations would be certified by the Comptroller in fiscal 2012. It also assumes that the certified organizations would receive donations from franchise and insurance premium taxpayers based on tax savings available and on the tax benefit of shifting charitable contributions to a certified nonprofit educational assistance organization.

This analysis only addresses the revenue implications of the proposed credits. Depending on how and to the degree the scholarships and expense assistance grants are used, savings might accrue to the Foundation School Program through lower public school enrollment. However, such savings are not included in the estimates.

Technology

The Comptroller indicates there would be a one-time technology cost of \$1,916,000.00 in fiscal year 2012 for programming and project management. In addition it would be necessary to hire 1 FTE to serve on the implementation committee to test the programming changes and handle the increased workload, web programming, maintenance and security controls, and taxpayer notification via mail.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
