

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

April 1, 2011

TO: Honorable Bill Callegari, Chair, House Committee on Government Efficiency & Reform

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2404 by Madden (Relating to the imposition of a privilege fee for state-owned housing provided to certain state employees by a state agency.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the General Land Office (GLO) to determine, not later than September 1 of each year, the fair market rental value of certain state-owned housing provided to a state employee by a state agency, and it would require the GLO notify the agencies of the fair market rental value. The requirement would not apply to the Governor's Mansion, the State Capitol, or state employee dormitory housing.

The bill would require state agencies that do not recover 100 percent of the determined fair market rental value of the housing to require, as a condition of occupancy, that the employee remit a monthly privilege fee to the school district in which the state-owned housing is located. The fee would be 20 percent of the difference between the fair market rental value of the housing and the amount paid for the housing, if any, by the employee.

The bill's passage is not expected to result in significant costs to state agencies.

Local Government Impact

No significant fiscal implication to units of local government is anticipated. The amount of revenue realized by individual school districts under the bill would be expected to vary widely depending upon specific local circumstances.
