TO: Honorable Rob Eissler, Chair, House Committee on Public Education

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2539 by Weber (Relating to the authority of school districts to suspend teachers without pay pending discharge.), **As Introduced**

No fiscal implication to the State is anticipated.

Local Government Impact

No significant fiscal implication to units of local government is anticipated. School districts would be authorized to suspend a teacher employed under a probationary or continuing contract without pay for good cause pending the teacher's discharge. Costs or savings to school districts would depend upon local actions and would be expected to vary widely.
