

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 10, 2011

TO: Honorable Robert Duncan, Chair, Senate Committee on State Affairs

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB2723 by Walle (Relating to notice of premium increase for certain health benefit plans.),
As Engrossed

No significant fiscal implication to the State is anticipated.

The bill would amend the Insurance Code relating to notice of a premium increase for certain accident and health insurance policies and small employer health benefit plans. Based on the analysis provided by the Texas Department of Insurance (TDI), it is assumed that any costs associated with the implementation of this bill would be absorbed within existing agency resources. Also based on information provided by TDI, this analysis assumes that implementation of the bill would result in a one-time revenue gain (\$14,200 in fiscal year 2012) in General Revenue-Dedicated Texas Department of Insurance Fund 36 from filing fees. Since General Revenue-Dedicated Texas Department of Insurance Fund 36 is a self-leveling account, this analysis also assumes that any additional revenue resulting from the implementation of the bill would accumulate in the account fund balances and that the department would adjust the assessment of the maintenance tax or other fees accordingly in the following year.

Local Government Impact

No fiscal implication to units of local government is anticipated.
