April 6, 2011

TO: Honorable Vicki Truitt, Chair, House Committee on Pensions, Investments & Financial Services

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB3004 by Nash (Relating to prepaid funeral benefits contracts and the prepaid funeral contract guaranty fund.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Finance Code relating to prepaid funeral benefits contracts and the prepaid funeral contract guaranty fund. The bill would change the composition of the advisory council overseeing the prepaid funeral contract guaranty fund and clarify the advisory council's requirements when holding meetings. The bill would clarify the purpose of the prepaid funeral contract guaranty fund and circumstances for which the prepaid funeral contract guaranty fund can be used. The bill would add additional requirements relating to situations where a funeral provider defaults on a prepaid funeral benefits contract.

Costs associated with the implementation of the bill for the Department of Banking is not considered in this analysis because fiscal impacts for this agency would be realized outside of the Treasury due to the agency being Self-Directed and Semi-Independent.

Based on information provided by the Department of Insurance and Funeral Service Commission, it is assumed that any duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources within the agencies.

Local Government Impact

No fiscal implication to units of local government is anticipated.
