

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 18, 2011

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: HB3123 by Thompson (Relating to codifying federal foster care funding requirements to locate and provide information to relatives and other adults following the removal of a child by the Department of Family and Protective Services, and court findings regarding those efforts.), **As Engrossed**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend Section 263.103, Family Code, to require service plans for children in temporary managing conservatorship to be developed jointly by the child's parent(s) and a representative of the Department of Family and Protective Services (DFPS) or other agency. The bill would also repeal Section 263.104, Family Code, which only requires parental signature rather than participation in the development of an amended service plan. The bill would take effect on September 1, 2011.

DFPS reports that the portions of the bill requiring parental involvement in the development of service plans and service plan amendments will require modification of training procedures, policies, and practices, but that these changes could be implemented with existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
