

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 6, 2011

TO: Honorable Pete Gallego, Chair, House Committee on Criminal Jurisprudence

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: SB122 by Ellis (Relating to postconviction forensic DNA analysis.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Code of Criminal Procedure relating to post conviction forensic DNA analysis. The bill would define biological material subject to testing and require that upon completion of DNA testing the convicting court shall order any unidentified DNA profile to be compared with the DNA profiles in the CODIS DNA database established by the Federal Bureau of Investigation. To the extent the bill would require a new procedure, the rules change would not significantly increase the workload of the Department of Public Safety or the courts. The bill would take effect September 1, 2011.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
