No significant fiscal implication to the State is anticipated.

The bill would amend the Code of Criminal Procedure to grant limited state law enforcement authority to special agents of the Office of Inspector General of the United States Department of Veterans Affairs and to updating certain references related to the grant of that authority to other federal law enforcement personnel. The bill will take immediate effect if it receives a two-thirds vote in both Houses of the Legislature, otherwise it will take effect September 1, 2011.
