**FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION**

**April 6, 2011**

**TO:** Honorable Florence Shapiro, Chair, Senate Committee on Education

**FROM:** John S O'Brien, Director, Legislative Budget Board

**IN RE: SB291** by Watson (Relating to an alcohol awareness component of the science curriculum used in public schools.), **Committee Report 1st House, Substituted**

**No fiscal implication to the State is anticipated.**

**Local Government Impact**

School districts would incur costs associated with obtaining an alcohol awareness program for use in the middle school and high school science curriculum. Costs would vary depending on the program selected. Costs for an appropriate alcohol awareness program are estimated to range from approximately \$32 to \$495 per student. Additionally, costs for grade level curricula range from approximately \$391 to \$2,340 per grade level. School districts would also incur costs associated with teacher training to implement the provisions of the bill.
