Fiscal Analysis

The bill would amend the Government Code and require the Criminal Justice Division within the Trusted Programs within the Office of the Governor to establish and administer a competitive grant program through which eligible prosecuting attorneys may apply for a grant to support the prosecution of border crimes. Funding for the border prosecution grants would be appropriated out of the General Revenue-Dedicated Operators and Chauffeurs License Account No. 99.

Methodology

The Office of the Governor indicates that the Criminal Justice Division would provide grants totaling \$2,000,000 per fiscal year to local prosecuting attorneys and would be appropriated out of the General Revenue-Dedicated Operators and Chauffeurs License Account No. 99. The Office of the Governor indicates that any additional costs associated with administering the grant program could be absorbed within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
