

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 17, 2011

TO: Honorable Byron Cook, Chair, House Committee on State Affairs

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: SB1652 by Watson (Relating to the implementation of new processes for the purposes of budget transparency, fiscal responsibility, and open government.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend multiple sections of Government Code related to development of the state budget and the process for public hearings held by the Legislative Budget Board (LBB). The bill would require public hearings of the LBB in November of each state fiscal year and to discuss expenditure reduction plans resulting from interim budget reduction requests. The bill would require the inclusion of certain details related to state fees in the general appropriations act and require the Comptroller of Public Accounts (CPA) to publish certain information on revenue from state fees on an annual basis. The bill also alters the process related to the issuance of notes by the CPA.

This analysis assumes that any costs associated with implementing the bill's provisions could be met with existing resources.

The bill would take effect September 1, 2011.

Local Government Impact

No fiscal implication to units of local government is anticipated.
