

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION**

**April 27, 2011**

**TO:** Honorable Rob Eissler, Chair, House Committee on Public Education

**FROM:** John S O'Brien, Director, Legislative Budget Board

**IN RE: SB1788** by Patrick (Relating to the development of a model individualized education program form by the Texas Education Agency.), **As Engrossed**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would require the Texas Education Agency (TEA) to develop a standardized form for use in developing an individualized education program (IEP), including information under Section 1417(e) (1), Title 20, United States Code, which authorizes the development of a model form to implement the Individuals with Disabilities Education Act of 2004 (IDEA). The bill would require the TEA to post the form on its website for use by school districts.

It is estimated that agency costs to develop an IEP model form are not significant and could be covered with existing Federal Funds.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.

According to the TEA, some school districts and open-enrollment charter schools could experience additional costs to implement revised IEP form but those costs would vary from district to district.

**Source Agencies:** 304 Comptroller of Public Accounts, 701 Central Education Agency
