

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 82ND LEGISLATIVE REGULAR SESSION

May 5, 2011

TO: Honorable Larry Phillips, Chair, House Committee on Transportation

FROM: John S O'Brien, Director, Legislative Budget Board

IN RE: SJR13 by Harris (Proposing a constitutional amendment requiring certain revenue collected by a public entity from the use of a tolled highway project in this state to be used only for transportation projects.), **As Engrossed**

No significant fiscal implication to the State is anticipated, other than the cost of publication.

The cost to the state for publication of the resolution is \$105,495.

The resolution would propose a constitutional amendment to Article VIII of the Texas Constitution to specify that the revenue collected by a public entity from a tolled highway project other than an international bridge that is not dedicated to the repayment of the project's debt may be used only for the acquisition, construction, operation, maintenance, or improvement of transportation projects.

The proposed amendment would be submitted to voters at an election to be held November 8, 2011.

Based on the analysis of the Texas Department of Transportation, it is assumed the provisions of the proposed constitutional amendment would not result in a significant fiscal impact to the state.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
