

**JOINT LEGISLATIVE COMMITTEE**

**NOTICE OF PUBLIC HEARING**

COMMITTEE: Alzheimer's Disease  
TIME & DATE: 2:00 PM, Tuesday, February 28, 2012  
PLACE: Senate Chamber  
CHAIR: Sen. Nelson and Rep. Zerwas

---

The Joint Interim Committee to Study Alzheimer's Disease will meet to consider the following charge:

Study the overall economic and systemic impact of Alzheimer's disease through 2017; create an inventory of public and private infrastructure and capacity for addressing the challenges of Alzheimer's disease; and identify funds and systems to support and expand ongoing statewide disease-specific strategic planning through the Texas Department of State Health Services and the activities of the Texas Alzheimer's Research Consortium.

Public testimony will be limited to 3 minutes. If submitting written testimony, please provide 20 copies with your name on each.
