Code, is amended by adding Chapter 3902 to read as follows:

Sec. 3902.002. CREATION AND NATURE OF DISTRICT. The  
district is a special district created under Sections 52 and 52-a,

1 Article III, and Section 59, Article XVI, Texas Constitution.

2 Sec. 3902.003. PRIMARY PURPOSE; MIXED-USE RESIDENTIAL AND  
3 COMMERCIAL DEVELOPMENT. The primary purpose of the district is to  
4 facilitate the construction and continued maintenance of a quality  
5 mixed-use residential and commercial development to benefit city  
6 residents.

7 Sec. 3902.004. ADDITIONAL PURPOSES; LEGISLATIVE FINDINGS.

8 (a) The creation of the district is essential to accomplish the  
9 purposes of Sections 52 and 52-a, Article III, and Section 59,  
10 Article XVI, Texas Constitution, and other public purposes stated  
11 in this chapter. By creating the district and in authorizing the  
12 city and other political subdivisions to contract with the  
13 district, the legislature has established a program to accomplish  
14 the public purposes set out in Section 52-a, Article III, Texas  
15 Constitution.

16 (b) The creation of the district is necessary to promote,  
17 develop, encourage, and maintain employment, commerce,  
18 transportation, housing, tourism, recreation, the arts,  
19 entertainment, economic development, safety, and the public  
20 welfare in the district.

21 (c) This chapter and the creation of the district may not be  
22 interpreted to relieve the city, Rockwall County, or Kaufman County  
23 from providing or requiring the city or the counties to provide the  
24 level of services provided as of the effective date of the Act  
25 enacting this chapter to the area in the district as the city or  
26 counties do to similarly situated property in the city. The  
27 district is created to supplement and not to supplant city and

1 county services provided in the district.

2 Sec. 3902.005. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a)

3 The district is created to serve a public use and benefit.

4 (b) All land and other property included in the district  
5 will benefit from the improvements and services to be provided by  
6 the district under powers conferred by Sections 52 and 52-a,  
7 Article III, and Section 59, Article XVI, Texas Constitution, and  
8 other powers granted under this chapter.

9 (c) The creation of the district is in the public interest  
10 and is essential to:

11 (1) further the public purposes of developing and  
12 diversifying the economy of the state;

13 (2) provide needed funding for the district to  
14 preserve, maintain, and enhance the economic health and vitality of  
15 the district territory as a community and business center; and

16 (3) promote the health, safety, welfare, and enjoyment  
17 of the public by providing pedestrian ways and by landscaping and  
18 developing certain areas in the district, which are necessary for  
19 the restoration, preservation, and enhancement of scenic beauty.

20 (d) Pedestrian ways along or across a street, whether at  
21 grade or above or below the surface, and street lighting, street  
22 landscaping, parking, and street art objects are parts of and  
23 necessary components of a street and are considered to be a street  
24 or road improvement.

25 (e) The district will not act as the agent or  
26 instrumentality of any private interest even though the district  
27 will benefit many private interests as well as the public.

1       Sec. 3902.006. INITIAL DISTRICT TERRITORY. (a) The  
2 district is initially composed of the territory described by  
3 Section 2 of the Act enacting this chapter.

4       (b) The boundaries and field notes contained in Section 2 of  
5 the Act enacting this chapter form a closure. A mistake in the  
6 field notes or in copying the field notes in the legislative process  
7 does not affect the district's:

8           (1) organization, existence, or validity;

9           (2) right to contract;

10          (3) authority to borrow money or issue bonds or other  
11 obligations described by Section 3902.253 or to pay the principal  
12 and interest of the bonds or other obligations;

13          (4) right to impose or collect an assessment, or  
14 collect other revenue; or

15          (5) legality or operation.

16       Sec. 3902.007. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES.

17 (a) All or any part of the area of the district is eligible to be  
18 included in:

20 Chapter 311, Tax Code;

21          (2) a tax abatement reinvestment zone created under  
22 Chapter 312, Tax Code;

23          (3) an enterprise zone created under Chapter 2303,  
24 Government Code; or

25          (4) an industrial district created under Chapter 42,  
26 Local Government Code.

27       (b) If the city creates a tax increment reinvestment zone

1 described by Subsection (a), the city and the board of directors of  
2 the zone, by contract with the district, may grant money deposited  
3 in the tax increment fund to the district to be used by the district  
4 for:

5 (1) the purposes permitted for money granted to a  
6 corporation under Section 380.002(b), Local Government Code; and

7 (2) any other district purpose, including the right to  
8 pledge the money as security for any bonds or other obligations  
9 issued by the district under Section 3902.253.

10 (c) A tax increment reinvestment zone created by the city in  
11 the district is not subject to the limitations provided by Section  
12 311.006, Tax Code.

13 Sec. 3902.008. APPLICABILITY OF MUNICIPAL MANAGEMENT  
14 DISTRICT LAW; PURPOSE. (a) Except as provided by this chapter,  
15 Chapter 375, Local Government Code, applies to the district.

16 (b) The district is created to accomplish the purposes of a  
17 municipal management district as provided by general law and  
18 Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
19 Texas Constitution.

20 Sec. 3902.009. LIBERAL CONSTRUCTION OF CHAPTER. This  
21 chapter shall be liberally construed in conformity with the  
22 findings and purposes stated in this chapter.
