Senate Amendments
Section-by-Section Analysis

HOUSE VERSION

SECTION 1. The legislature finds that tick-borne diseases are an important public health issue in Texas. The legislature further finds that medical and nursing education on the appropriate care and treatment of tick-borne diseases is essential to the delivery of necessary health care to individuals in Texas suffering from tick-borne diseases. It is the intent of the legislature to address the need for medical and nursing education on tick-borne diseases through the continuing medical education requirements for physicians and nurses.

SECTION 2. Subchapter B, Chapter 156, Occupations Code, is amended by adding Section 156.059 to read as follows:

Sec. 156.059. CONTINUING EDUCATION IN TICK-BORNE DISEASES. (a) A physician licensed under this subtitle who submits an application for renewal of a license to practice medicine and whose practice includes the treatment of tick-borne diseases is encouraged to include continuing medical education in the treatment of tick-borne diseases among the hours of continuing medical education completed for purposes of rules adopted under Section 156.051(a)(2).

(b) The board shall adopt rules to establish the content of and approval requirements for continuing medical education relating to the treatment of tick-borne diseases. In adopting rules, the board shall review relevant courses, including courses that have been approved in other states. Rules adopted under this section must provide for the identification and approval of accredited continuing medical education courses that represent an appropriate spectrum of relevant medical clinical treatment relating to tick-borne diseases.

(c) If relevant, the board shall consider a physician's

participation in a continuing medical education course approved under Subsection (b) if:

(1) the physician is being investigated by the board regarding the physician's selection of clinical care for the treatment of tick-borne diseases; and

(2) the physician completed the course not more than two years before the start of the investigation.

(d) The board may adopt other rules to implement this section.

SECTION 3. Subchapter G, Chapter 301, Occupations Code, is amended by adding Section 301.304 to read as follows:

Sec. 301.304. CONTINUING EDUCATION IN TICK-BORNE DISEASES. (a) As part of the continuing education requirements under Section 301.303, a license holder whose practice includes the treatment of tick-borne diseases shall be encouraged to participate, during each two-year licensing period, in continuing education relating to the treatment of tick-borne diseases.

(b) The board shall adopt rules to identify the license holders who are encouraged to complete continuing education under Subsection (a) and establish the content of that continuing education. In adopting rules, the board shall review relevant courses, including courses that have been approved in other states. Rules adopted under this section must provide for the identification and approval of accredited continuing education courses that represent an appropriate spectrum of relevant medical clinical treatment relating to tick-borne diseases.
