

House Joint Resolution 130
Senate Amendments
Section-by-Section Analysis

HOUSE VERSION

WHEREAS, On October 29, 2010, the United States Department of Education released Final Regulations on Program Integrity Issues in an effort to strengthen federal student aid programs at postsecondary institutions; one provision seeks to clarify the minimum a state must do to authorize a postsecondary institution so that the institution is able to participate in federal student aid and other federal funding programs; and

WHEREAS, Specifically, 34 C.F.R. Section 600.9 was amended to require that postsecondary institutions be "established by name as an educational institution by a State through a charter, statute, constitutional provision, or other action" and that they be "authorized to operate educational programs beyond secondary education, including programs leading to a degree or certificate"; and

WHEREAS, Section 61.003, Texas Education Code, cites state universities by name and Section 61.063, Texas Education Code, establishes a process for naming public community colleges, but state law regards private institutions of higher education differently; and

WHEREAS, Rather than naming them, Section 61.003, Texas Education Code, defines "private or independent institutions of higher education" as those institutions organized under the Texas Non-Profit Corporation Act, now part of the Texas Business Organizations Code, that are exempt from taxation under Article VIII, Section 2, Texas Constitution, and Section 501(c)(3), Internal Revenue Code of 1986, and that are accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, the Liaison Committee on Medical Education, or the American Bar Association; and

WHEREAS, Such institutions are exempt from Section 61.301, Texas Education Code, which provides for the "regulation of private postsecondary educational institutions," because they are accredited by an accrediting agency recognized by the Texas
