

Amend CSHB 5, Section 28.025, page 6, line 6-49, after "earn." Insert the following and adjust accordingly:

Should a student elect the business and industry endorsement under (c-1)(1), the student shall be informed of the following at that time of the election: "In electing this endorsement you should know that in order to be eligible for Top Ten percent admissions, you must successfully complete Algebra II. This endorsement does not require Algebra II. In order to be eligible you must elect Algebra II as one of your math requirements."
