

Amend **HB 994** (house committee printing) as follows:

(1) Strike Section 2 (lines 15 through line 20 on page 1) and substitute the following:

This section applies only to the first six nuclear generating units the construction of which begins on or after January 1, 2013 and before January 1, 2020, and which are owned in whole or in part by a power generation company that elects to utilize the decommissioning mechanism set forth in this section.
