

Amend Floor Amendment No. 1 by Hilderbran by amending amended Section 313.021(3), Tax Code, by adding the following new subsection (F):

(F) In determining whether a property owner has created the number of qualifying jobs required under this chapter, operations, services and other related jobs created in connection with the project, including those employed by third parties under contract, may satisfy the minimum qualifying jobs requirement for the project if the Texas Workforce Commission determines that the cumulative economic benefits to the state of these jobs is the same or greater than that associated with the minimum number of qualified jobs required to be created under this chapter. The Texas Workforce Commission may adopt rules to implement this subsection.
