

Amend **CSSB 1** (General Appropriations Act) in Article III of the bill, under the Special Provisions Relating Only to Components of Texas State Technical College, as follows:

(1) In the first sentence of Rider 6, Temporary Special Courses (page III-194), strike "by contact hour generation".

(2) Strike Rider 9, Audit of Base Contact Hours (page III-195).

(3) In Rider 12, Returned Value Funding Model for Texas State Technical Colleges (page III-195), in the first item of funding methodology components, between "(students who were not found in Texas higher education for two years following the last time they were enrolled in the TSTC)" and "from 2005 and 2006", insert "with a minimum successful completion of nine semester credit hours".

(4) In Rider 12, Returned Value Funding Model for Texas State Technical Colleges (page III-195), in the second item of funding methodology components, strike "UI" and substitute "unemployment compensation insurance".

(5) Renumber the riders appropriately.
