

Amend **CSSB 1** in Article I of the bill immediately following the appropriations to the Fiscal Programs-Comptroller of Public Accounts (page I-26) by adding the following appropriately numbered rider and renumbering subsequent riders accordingly:

\_\_\_\_. Unclaimed Property Held in Another State. Using amounts appropriated above, the comptroller of public accounts to the extent authorized by law may take any necessary actions to have unclaimed property in the custody or possession of another state or a person residing in another state delivered to the comptroller to be held in the custody of this state to pay the claims of persons in this state who establish ownership of the property.
