

Amend Amendment No. 58 by McClendon (on pages 72 and 73 of the prefiled amendment packet) as follows:

(1) On page 1, strike lines 10-25, and substitute the following:

existing facilities, future infrastructure needs, and associated costs, and will assess current capacity and needs in all regions served by the state hospital system to evaluate the availability, accessibility, and sufficiency of beds and outpatient services. The plan must consider the current state funded hospital capacity for individuals requiring hospitalization, timely access to patient care in the least restrictive setting as clinically appropriate, best practices in psychiatric inpatient care, opportunities for patients to receive care closer to their homes, short-term residential treatment,

(2) On page 2, strike lines 3-8, and substitute the following:

December 1, 2014. To authorize the implementation of improvements to the state hospital system related to the plan, DSHS shall submit a written request to the Legislative Budget Board and the Governor. The
