

Amend CSSB 219 (house committee printing), in ARTICLE 1 of the bill, by adding the following appropriately numbered SECTION to that ARTICLE and renumbering any subsequent SECTIONS of the ARTICLE accordingly:

SECTION 1.\_\_\_\_. Subchapter C, Chapter 571, Government Code, is amended by adding Section 571.0673 to read as follows:

Sec. 571.0673. RETRIEVAL AND RESETTING OF PASSWORDS USED TO ACCESS ELECTRONIC FILING SOFTWARE. The commission shall ensure that any electronic filing software provided or approved by the commission contains a secure process through which a person using the software to file a report or statement with the commission may electronically retrieve or reset any password used by the person to access the software.
